Door-to-door deliveries in nearly any country in the world

ITC.FLIGHT PACKAGING

Air freight-appropriate packaging

All services can be booked, including import/export customs clearance.

Air cargo

From budget solutions to express and charter services, we will handle your small or large and particularly heavy shipments, clear them through customs and track your freight worldwide.

- ⇒ Personal assistance and advice
- ⇒ One contact for all your air freight needs
- ⇒ Temporary storage and handling in Frankfurt 7 days a week for up to 24 hours
- ⇒ Access to the world's largest airline pool
- ⇒ Member of IATA and IFLN and agent commissioned by the German Federal Aviation Office

Air cargo network

Jointly with our worldwide network of country organizations, we provide:

- ⇒ Air freight - direct shipments, consolidated shipments, express shipments, charter / full and
- ⇒ Sea freight (general cargo shipments and container shipments)
- ⇒ Combined air & sea freight shipments
- ⇒ Network infrastructure and project management for special shipments
- ⇒ Support for globally operating key accounts
- ⇒ Customs clearance
- ⇒ Transport, storage and handling tasks
- ⇒ Shipment tracking systems

Air freight charter service

Expert advice and precise planning are „the be-all and end-all“ of a smooth process.

- ⇒ We check whether the freight can be loaded, inspect special properties, advise you on packaging and coordinate special loading equipment (e.g. cranes)
- ⇒ We plan and organize your entire transport chain; upon request, we will store and consolidate your goods - in the bonded warehouse if necessary.
- ⇒ Our team obtains special permits and processes your charter shipment from A-Z.
If you wish, until it arrives at the recipient's in the destination country.
- ⇒ Atlas customs clearance

Sea freight

In cooperation with leading shipping companies, we provide highly flexible services within our worldwide partner network. The key to success lies in our experience, excellent partnerships and competent advising and processing staff.

We support your planning and are happy to provide all the services you need, e.g.

- ⇒ B/L bill of lading
- ⇒ Worldwide distribution/ trucking of LCL/FCL shipments in the receiving country
- ⇒ Warehouse logistics

Constructive packaging

Regardless of manufacturer and material, we can help you with constructive and contract packaging, including (consolidation) storage and shipping requirements.

Konpack service

- ⇒ Advice, development and design
- ⇒ Packaging optimization
- ⇒ Prototype construction
- ⇒ Material procurement and inventory management
- ⇒ Material and quality analyses
- ⇒ Demand-driven JIT / JIS delivery
- ⇒ Webshop-based ordering system

- ⇒ ABD creation (export document, former export declaration)
- ⇒ Translation service for customs-relevant papers
- ⇒ EU customs clearance/fiscal representation
- ⇒ Atlas customs clearance

ITC
LOGISTIC

Rail freight

Rail – East- & Westbound Express

Speed Train from Duisburg to and from Suzhou in 16-18 days in direct traffic

- ⇒ General cargo, partial and complete loads
- ⇒ Weekly departures
- ⇒ Dynamic routing via the north or south route
- ⇒ Document inspection
- ⇒ Own customs agents at the Polish-Belarusian and Russian-Chinese borders.
- ⇒ Extensive expertise via our partner FELB on the new Silk Road.

Eastbound - Westbound

New rail connections are added every week. Ask about additional routes to Russia, Kazakhstan, Japan, South Korea and many regions of China!

Information

On the route the goods must be reloaded once. At this point, the customs inspections takes place, as well as a change of lorry and driver.

Breaks are only taken in pre-selected, secured parking areas.
